PERSONALS.

Persons in town having visitors or any other item they would like in this column would confer a favor if they would inform this office. The town is not very large, but one hand can't get over it every day and run a newspaper.

Persons visiting in town not seeing personal mention of themselves must remember the one they are stopping with did not feel interested enough in them to report at this office.

Mrs. D. L. Smith is still sick, and improving quite slowly.

Next Saturday and Sunday the M. E. Church quarterly meeting will be held at this place.

J. C. S. Blackburn.

—If we could collect one-half due we could pay all we owe and have money left. Please pay us.

—We are in urgent need of money. Those indebted to us will very much relieve us if they will settle up as soon as possible.

—Mrs. Chapman has again remembered us with a basket of delicacies, which we appreciate and tender our sincere thanks.

—If you wish to hire a saddle horse, horse and buggy or turn out of any kind, call on E. L. Sullenger and he will accommodate you.

—H. E. Richardson, living near here, captured a very large rattlesnake last Saturday. He took a pair of ball-muscle and drew his fangs, and is undertaking to put him. He has twelve rattles. Mr. Richardson has brought him to town to show.

—Don't forget to come and hear Hon. J. C. S. Blackburn at the court house next Monday, July 29th, 1883, at 12 o'clock. He is one of the most orators Kentucky ever produced and you will be well entertained.

—Judge A. B. Baird's series of interesting lectures will close with one or two more. It is with regret we learn this. The Judge is a pleasant speaker and his lectures have not only been entertaining, but historic, humorous and thrilling.

—Mr. James H. Anderson, of the Bazaar, went to the picnic at Centertown last Saturday and rode his bicycle. The distance is seven miles, half of which is very rough road. Time made in going, fifty minutes. This is pretty good time considering the road traveled.

—A meteor was seen last Friday night just at twilight by Mr. Thos. D. Davis and other of our citizens. It passed over in a North-westerly direction and was visible for about a minute. It was quite brilliant and had a long tail which emitted sparks all the while. It contrasted all the colors of the rainbow, and was very beautiful indeed.

A doubtful friend is worse than a certain enemy, and vice versa a certain friend is infinitely better than a doubtful enemy. Thus Kidney-Wort is an incomparably better friend to the human race than whole catalogues full of doubtful remedies. It is an infallible remedy for that tormenting disease, piles. It cures the bowels gently and freely, and thus removes the cause. Do not fail to try it faithfully either in dry or liquid form.

—The entertainment given last Friday night at Court Hall by the blind musicians, was indeed grand. These professionals, Messrs. Clifford and Airey, gave a variety of gems of instrumental and vocal music. The classical selections consisted of instrumental duets, sentimental songs and duets, comic, serio-comic, humorous, religious, Scotch and German airs, and Irish and Negro melodies. Their performances were introduced with the violin, lute, guitar and bass viol. The mocking bird, with the imitations of the bird and variations, was executed with brilliancy. To lovers of music their performance is more than thrills the pleasure they ask at the door.

—Some unprincipled dealers, because they could see a few cents more profit, have been guilty of offering worthless substitutes for the only original and genuine Sulphur Soap—Glenn's Sulphur Soap. Therefore, the public should guard against this deception, and always ask for Glenn's Sulphur Soap, by its full name, and take no other. Read the following evidence from a highly respectable source: C. N. CRITTENDEN, Esq. Dear Sir— I have traveled for three years for Messrs. Charles Scribner's Sons, publishers, New York, and desire to inform you that I have used your incomparable Glenn's Sulphur Soap exclusively for about four years; and have recommended it to very many persons; my constant experience has been that it possesses all the medicinal advantages that you claim for it. All to whom I have recommended it say as well as myself, that it deserves its established reputation as the best and most efficacious Sulphur Soap that can be used for all skin cleansing, as well as toilet purposes. Some unprincipled imitators have endeavored to substitute other kinds of Sulphur Soap for Glenn's—saying they were just as good, but having myself tried other kinds, I find NONE so good or so beneficial as the genuine Sulphur Soap, stamped "GLENN'S," this I have observed bears the name of C. N. Crittenden, Proprietor, on the packet.

Yours truly, C. T. Z. DURAND.
